Hereby the Certification Body confirms by this certificate that the characteristics of the subject product sample have complied with the requirements specified in:

- ISO 2768-1 General tolerances - Part 1: Tolerances for linear and angular dimensions without individual tolerance indications
- ETAG 004 External Thermal Insulation Composite Systems with Rendering, Cl. 6.6.7.1
- EN 13501-1 Fire classification of construction products and building elements. Classification using test data from reaction to fire tests
- Product data sheets issued by LIKOV Ltd. dated 2016-02

This certificate refers to the Report of the Product Certification No. 060-046639 as of April 20, 2018, issued by Technical and Test Institute of Construction Prague – Branch-office Brno, which has been handed over to the applicant. The report includes the conclusion of the findings and terms of validity of the certificate. The certificate has 1 annex (1 page), that is to be considered an integral part of this certificate.

The certificate is valid till: **April 30, 2021**

The person taking overall responsibility for the correctness of this certificate:

Brno, April 20, 2018

Ing. Miroslav Procházka
Deputy Manager of the Certification Body
